

FREEWAY

**TO
SUCCESS**

HOW IT WORKS

Everyone begins with the purchase of the Basic Package.

You will be positioned at the top of a 5x5 forced matrix, which means 5 members wide and 5 levels deep, with each of the 5 legs having multiplies of 5 on each level.

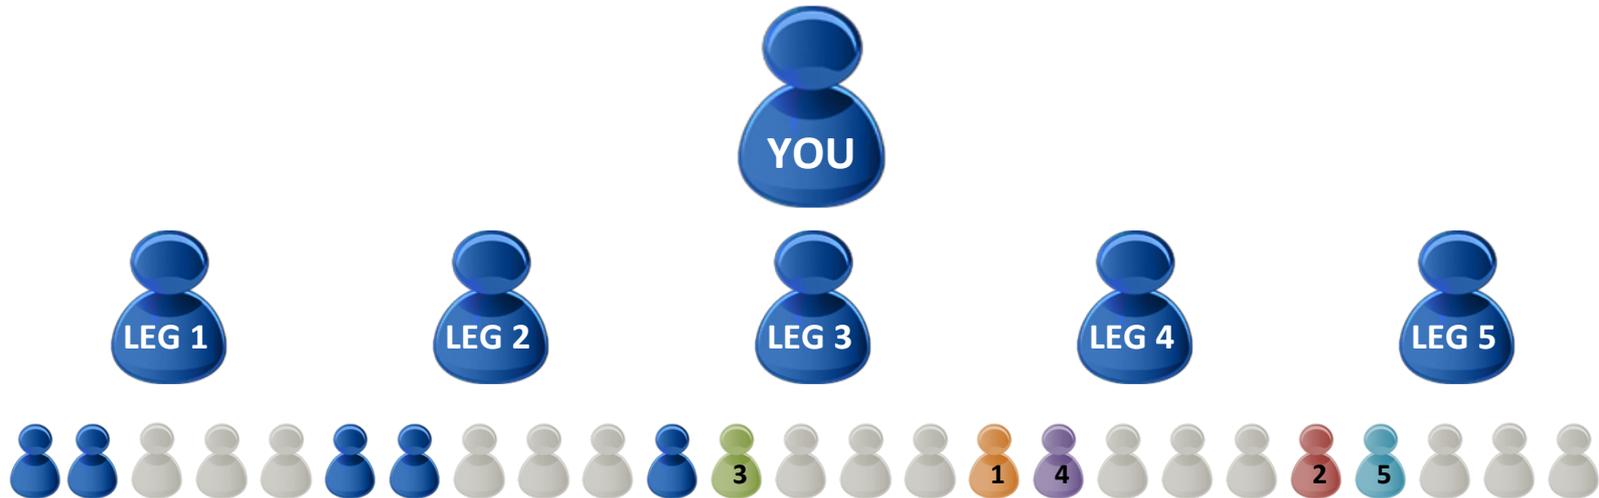

THOSE 25 X THEIR 5 MEMBERS = 125 MEMBERS

THOSE 125 X THEIR 5 MEMBERS = 625 MEMBERS

THOSE 625 X THEIR 5 MEMBERS = 3,125 MEMBERS

As you refer new members to Freeway to Success, they will begin to fall directly under you in the first available position from left to right. The 6th person you refer will fall on your second level. This unique forced matrix feature will automatically evenly distribute new members on each leg.

In the example above, as you bring new members to your team:

1. The next new person will fall in the first position under Leg 4.
2. The next new person will fall in the first position under Leg 5.
3. Then the next person you refer, would fall in the *second* position under Leg 3.
4. The next, in the second position under Leg 4,
5. The next in the second position under Leg 5.

Then as you continue to refer new members, the system will continue to evenly distribute new members starting with the third position under Leg 1 and so on, evenly distributing members on each leg.

This works the same way on every level.

Working the same matrix, with the same team, YOU have the opportunity to upgrade to the Gold Package and/or Platinum Package at any time.

All commissions are based on your membership level and the membership level of your matrix.

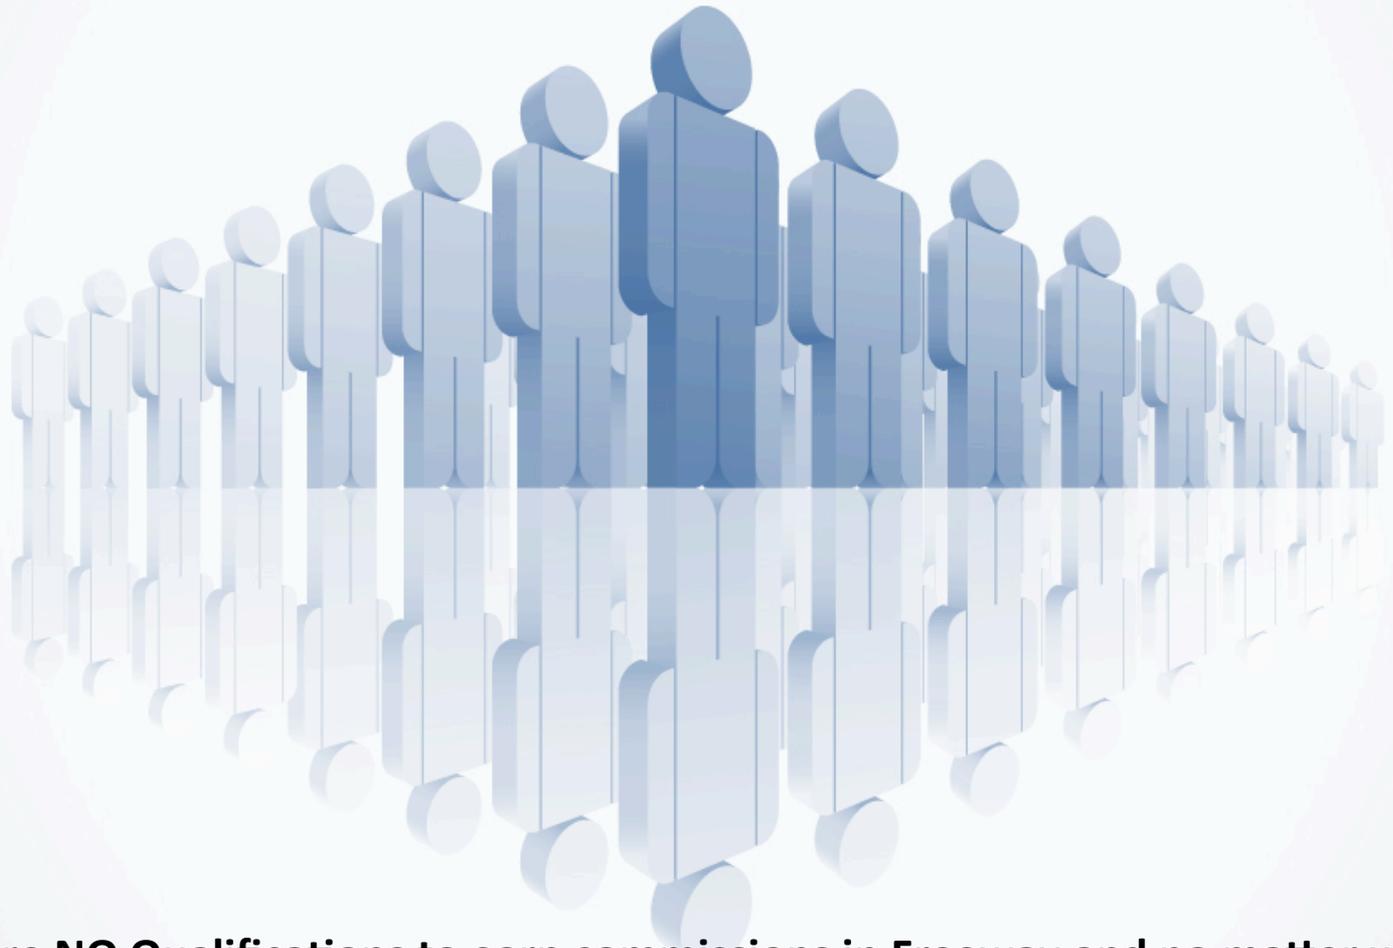

If you are a Basic member, you will receive commissions on everyone in your matrix according to the Basic Commission Schedule, regardless if they are Basic, Gold or Platinum.

If you are a Gold member, you will receive Gold Commissions on any Gold or Platinum Members in your matrix. And in addition, you will also receive Basic Commissions on all your Basic Members in your matrix.

If you are a Platinum member, you will receive Platinum Commissions on any Platinum Members, Gold Commissions on any Gold Members, and Basic Commissions on all your Basic Members in your matrix.

Most likely, you will have a combination of Basic, Gold, and Platinum members on your matrix. Therefore, you will receive a combination of each of the three Compensation Plans.

BUILD ONE TEAM

There are NO Qualifications to earn commissions in Freeway and no matter who fills your 5x5 – which could be your Sponsor or any team member, then you will still earn commissions for all members who fall below you in your matrix.
